Gladioli, Peonies, Irises, Phloxes,
Tulips and Dahlias

Buster Brothers

901 West Main Street

WILMINGTON, OHIO

On C. C. C. Highway

VISITORS WELCOMED ANY DAY IN THE YEAR

You are welcome at our gardens at anytime. TULIPS are in bloom in April and May; PEONIES and IRIS in May and June; GLADIOLI in July, August and September, and DAHLIAS in September and October.

FOREWORD ON VARIETIES—For over fifteen years we have studied varieties through catalogs, magazines, books and visits to large gardens, as well as growing hundreds of different varieties in our own gardens. This simple price list, with its meager descriptions, is the result of our conclusion. We find little, except disappointments, in the long expensive description, usually found in our catalogs, and in this day of rapid transit, combined with the easy accessibility to flower gardens, shows and exhibitions there is little excuse for our disappointment. The failure of words to express the real beauty of a flower, coupled with the over-anxiety of the originator, often makes descriptions misleading.

Every variety listed in this price list is distinct and has been judged by those who are competent to judge, as among the best of its class. In fact, we think them to be "The Master Lists."

We guarantee stock true to name and will replace any that prove otherwise.

Cash with order or C. O. D. to unknown parties.
